

Mya J Corigliano Foundation Inc.

Daughter. Sister. HERO

5/8/16-12/19/17

Help us help others!

When our daughter Mya J Corigliano was diagnosed with cancer at 3 months old, our community came together and supported our family through the most difficult time of our lives. Mya ultimately became an angel at 19 months old.

We are on a mission to remember Mya and help other families going through difficult times. The Mya J. Corigliano Foundation was started to help families of children battling cancer and other life-threatening illnesses in Central New York!

We are teeing off for the 6th annual tournament Saturday August 12th 2023 at Shamrock Golf & Country Club. Please support our cause so we can provide help, hope and stability to others!

Thank you for helping us help others with your generous donation of:

\$100 _____
(hole sponsor & banner)

\$250 _____
(Major hole sponsor & banner)
